## GENAZZANO FCJ COLLEGE UNIFORM LIST 2024

### SIZE GUIDE

## BODY MEASUREMENT TIPS

- When measuring yourself keep the tape firm but not tight
- Measure over undergarments for more accurate measurements
- If you don't have a measuring tape, use a piece of string and measure it using a ruler

## CHEST

Measure around the fullest part of your chest. This is the key measurement for shirts/blouses & dresses. Make sure the measuring tape sits horizontally across your body.

## WAIST

Measure around the natural waistline which is the narrowest part of your waist. This is an important measurement for trousers/pants/shorts & skirts

## HIP

Measure around the fullest part of the hips

- Our Size Charts are in *Finished Garment Measurements*.
- Size Charts are located on each individual garment on the website, under the **SIZE CHART** tab.
- To determine the size you need to **ADD** to your *Body Measurements* the following:
  - **BLAZERS, DRESSES, TUNICS, SHIRTS, BLOUSES, POLOS** and other upper body garments **ADD 10 - 12 cm**
  - **TROUSERS, SHORTS, SKIRTS & TUNICS** - **ADD 5 - 8 cm** in the waist. These garments are often adjustable in the waist to allow for extra growth.
- A good way to check is to measure & compare a similar garment that is a comfortable fit.
