Uniform Guidelines

St Michael's
Grammar School

The School Uniform

The St Michael's School uniform enables us to develop a sense of community and belonging, define our identity and provide a link from one generation of students to the next. As custodians of this legacy, students are expected to wear the uniform with dignity, pride and respect.

The present St Michael's uniform is contemporary and practical, and provides flexibility across a range of activities and conditions. Wearing the uniform eliminates any peer pressure associated with school dress, freeing students to express themselves through their character, behaviour and other personal qualities. This contributes to creating

a positive learning environment. Furthermore, the uniform standards ensure students are adhering to workplace safety requirements, and impart skills related to maintaining professional dress in the workplace environment.

Students should be mindful that while in school uniform they are the public face of the School, and should dress and behave accordingly. We ask for parents' support in this area by complying with the uniform guidelines supplied. Compulsory uniform items are listed in a checklist within this document.

General Appearance

While in School uniform, whether at School or in public, students are required to adhere to the following:

- The Formal uniform must be worn in Terms 2 and 3 as well as at significant school events, as indicated.
- The Summer uniform is worn in Terms 1 and 4 only. The School blazer is not worn with the Summer uniform and is seldom worn in Term 1 but may be purchased for Term 2. Note: The Summer uniform is optional in the senior years. Students may wear the Formal uniform all year without blazer in Term 1 and 4.
- Uniforms need to be clean, pressed and in good repair.
- Uniforms should be clearly and securely marked with the owner's name.
- The long-sleeve white shirt must be worn tucked in. The white short-sleeve summer shirt must be tucked in when wearing an outer garment. The blue short-sleeve summer shirt may be worn out.
- Ties need to be worn neatly covering a fastened top button.
- Trousers and slacks should break on the shoe, and not be rolled or cuffed.
- Tunics, skirts and summer dresses should extend ideally to the knee.
- Plain navy crew socks or plain white socks may be worn with either the summer or formal uniform. Navy tights may only be worn with the formal uniform.
- Black, polished-leather, hard-soled school shoes are to be in good repair, clean and worn laced or fastened. Black sneakers are not permitted in place of school shoes (refer to page 7 for details).
- The School beanie is only to be worn outside.

- Year 12 Students may wear the red Year 12 school jumper in place of the navy school jumper.
- The soft shell jacket may be worn on the School grounds all year and for travelling to and from school in Terms 1 and 4 only. It is not a substitute garment for the School blazer.
- Additional layers may be worn underneath the uniform for added warmth, however, these undergarments should be white or neutral in colour and completely hidden.
- All students may wear the blue summer shirt in Terms 1 and 4 with shorts or pants. It cannot be worn with the formal uniform (Blazer or Skirt).

Hair

- Hair colour should be natural in appearance and not extreme in style.
- Hair, if longer than the collar, should be tied up and back neatly off the shoulders, with black, neutral, or school coloured elastic bands.
- Students must be clean-shaven.

Jewellery

- Students are only permitted up to two ear piercings in each ear. These must be small plain studs or sleeper earrings. No other piercings are permitted.
- With the exception of watches and appropriate religious necklaces, items of jewellery are not to be worn.
- Makeup and nail polish are not to be worn.

Co-curricular Uniform and Extended Tuition Uniforms

- Co-curricular and Extended Tuition uniform items (e.g. Snowsports vests, Dance Project hoodies) are not to be worn unless participating in the specific co-curricular or extended tuition activity.

Sports and Physical Education Attire

- Students in Years 5 to 12 may wear the Sports uniform all day on their Sport match day (Years 5 to 6 – Friday, Year 7 – Tuesday, Years 8 and 9 – Thursday, Years 10 to 12 – Wednesday) and when they have a PE lesson.
- Students in Prep to Year 4 wear the specified sports clothing for the School day when sports and physical education activities are scheduled.
- Students may wear a fitted plain navy-blue long-sleeve undergarment (no hoodies or jumpers) underneath the School polo and House polo tops for warmth. No other colours or markings are permitted.
- Specialist sports items (athletics shorts, singlets and swimwear) may only be worn during the relevant specialist activity. Students may not wear this attire around the School grounds or while travelling to and from School.
- Sports shoes are to be general-purpose and thick-soled, provide sufficient support, shock absorption and tread, and laced up; 'street' shoes are not acceptable.
- The Sports and PE Hoodie may only be worn with the Sports and PE uniform, not with the regular uniform.

Travelling to and from School

- Students must wear the correct School uniform when travelling to and from school.
- Students may only use the St Michael's school bag. School bags must be securely stored in the student's locker during the day and must not be brought into the classroom.

Casual Clothes

- Clothing must be respectful and appropriate to the scheduled lessons and activities taking place that day.
- Sports and Physical Education uniform rules still apply.
- Occupational Health and Safety regulations, such as closed shoes and long hair tied-back, still apply.

Uniform Pass

- There may be unavoidable circumstances where a student is unable to meet the uniform expectations outlined in this document. Students must communicate with their Classroom Teacher (K-6) or Head of House (7-12) to obtain a uniform pass as soon as possible after the need arises.

The dates for Second Hand Uniform Sales will be published via the news feed on SchoL.

Uniforms can be dropped off throughout the school year at St Michael's main reception at Hewison House. A form (available at reception) must be completed with uniforms being dropped off.

- All blazers, winter skirts and tunics must be drycleaned before they will be accepted for sale. Garments must be presented on hangers with tags attached.
- All other items must be laundered and in good condition.
